

**California Department of Health Services (CDHS)
Vehicle Occupant Safety Program (VOSP)
Child Passenger Safety (CPS) Teleconferences**

The VOSP bi-monthly teleconferences provide an opportunity for Child Passenger Safety advocates to network with local child passenger safety coordinators, technicians, advocates and others to update one another on the latest new products, share successful strategies, discuss initial or ongoing barriers and help resolve mutual problems. Plus, VOSP provides updates on significant topics and guest speakers on critical issues.

To join the teleconference, dial **(916) 556-1508**, access code **141554#**. We encourage you to join with other participants in your community to listen in at one site to encourage collaboration and conserve the number of telephone lines used - space is limited!

Listen in on the 3rd Thursday, on alternating months, from 10:00am-11:30am.

2007 VOSP TELECONFERENCE CALL SCHEDULE

January 18, 2007

March 15, 2007

May 17, 2007

July 19, 2007

September 20, 2007

November 15, 2007

We DO NOT offer CEUs for this teleconference call. You can get 1 CEU for the Technical Teleconference call on the alternating month of VOSP teleconference, again on the 3rd Thursday from 10:00am-11:30am, and facilitated by SafetyBeltSafe U.S.A.

For more information or suggestions for future calls, please contact Kate Bernacki at (916) 552-9855 or by email at kbernack@dhs.ca.gov

We look forward to having you join us!
